

Real Princesses Change the World is an inspirational and diverse picture book profiling 11 contemporary real-life princesses and 4 heirs apparent from all around the world.

There are so many ideas of what princesses are: Princesses are sweet, beautiful, and gracious. Princesses wear poofy dresses and strut about their castles. Princesses are just missing a handsome prince. But what message does that send to the children who look up to them?

This picture book compiles biographies of 11 princesses, highlighting who they truly are: diplomats, engineers, activists, athletes, and so much more. It focuses on their achievements and contributions, situating them as active global and local community members. This picture book takes readers on a trip that spans the whole world. From Nigeria to Japan, Saudi Arabia to Sweden, and Thailand to Tonga.

With stunning portraits done by bestselling illustrator Dung Ho (*Eyes that Kiss in the Corners*), Carrie A. Pearson's *Real Princesses Change the World* showcases princesses in an empowering, feminist light that is accessible and engaging for young readers.
